Branciforte Middle School
2021-2022 School Accountability Report Card
(Published During the 2022-2023 School Year)

![Branciforte Middle School logo]

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Branciforte Middle School
Street	315 Poplar St.
City, State, Zip	Santa Cruz, CA 95062-1131
Phone Number	(831) 429-3883
Principal	Casey O'Brien
Email Address	cobrien@sccs.net
School Website	https://b40.sccs.net/
County-District-School (CDS) Code	44698236060149

2022-23 District Contact Information

District Name	Santa Cruz City Schools
Phone Number	(831) 429-3410
Superintendent	Kris Munro
Email Address	superintendent@sccs.net
District Website Address	www.sccs.net

2022-23 School Overview

Vision Statement: Opening Minds - Opening Hearts - Opening Doors

Mission Statement: Branciforte is a creative and stimulating learning community built on a foundation of respect and integrity, where individuals are safe, known well, and cared for, where everyone contributes and values the contributions of others, where everyone learns every day, and where scholarship leads to academic excellence.

Branciforte Middle School serves a diverse student population primarily from the east side of Santa Cruz. Our academic program is designed to meet individual students' needs. Our base program includes English, Social Studies, math, science, P.E., and an elective. Our math classes use the College Prep Math curriculum with a focus on problem solving, explaining your reasoning, collaboration, and perseverance. The program includes both a standard middle school track and an opportunity for acceleration. For a school of our size, we have an outstanding exploratory program. At sixth grade, this includes options for band, AVID, culinary arts, and visual art. In the seventh and eighth grade, exploratories include: music, Advancement Via Individual Determination (AVID), (a college-preparatory program), STEM, and culinary arts. Students from our district's dual-immersion program continue their studies in Spanish language on our site.

Branciforte is proud of the many programs and services we offer. We have greatly expanded our access to technology, including: our state-of-the-art library computer lab staffed by our librarian; our "Bee Inn", (an innovation center designed to support use of technology in research, collaboration and presentation, and a dedicated writing space); Our Wednesday afternoon Arts Academy provides the opportunity for our students to participate in a variety of enrichment activities. Past and current offerings include, but are not limited to: Baile Folklorico, coding, ROV under water robotics, rock band, bike club, Parkour, visual art & gardening, sewing, culinary arts, drumline and ukulele. Bilingualism is supported in our Two Way Immersion program and ELD. In the fall of 2016 we started the Academic Achievement Academy, an after-school program, on Monday through Thursday for two hours after school. This program includes an hour of academic support and an hour of enrichment activity including music, cooking, and physical activity

Major Achievements
In addition to the increase in access to technology, we have been concentrating on improving academic support for our English Learners and under-performing students. Students struggling with math skills may use iReady or get additional support from a math teacher during our zero period math support class. There is a strong focus on Trauma Informed Schools training for

teachers and on the implementation of Social Emotional Learning (SEL) strategies and curriculum. Many teachers practice mindfulness with their students on a regular basis. In the 2017-18 school year the school implemented a Positive Behavioral Interventions and Supports (PBIS) program that emphasizes doing the right thing and rewards students for contributing positively to the school climate. This includes various lessons in the classroom, special events such as assemblies and random drawings for students who are making good decisions. Every department in every grade level provides structured SEL lessons throughout the year. We continue to support these initiatives through professional learning and committee work at our site.

At Branciforte, we strive to involve families in the school community. Our Home and School Club, English Language Advisory Committee (ELAC), and School Site Council offer formal ways for parents to participate. We also host workshops on parenting and planning for college, a math and science night, and a Social Emotional Learning night for families. Our Home and School Club and ELAC parents partner to celebrate our community cultures. In the fall, we host an annual Tamalada that includes wonderful food, music and Baile Folklorico. The Tamalada and Spring Festival events bring thousands of dollars into Branciforte classrooms.

Branciforte also involves families through celebrations of student learning. We host activities throughout the school year that celebrate student success, including music concerts, a Tamalada, featuring performances from our Arts Academy classes, walking field trips for all grade levels throughout the year, a Turkey Trot (a Thanksgiving fun run), the Egyptian Museum for sixth graders, the Knights vs. Samurai debates for seventh grade students, and an Invention Convention for eighth grade students.

Focus for Improvement
We continue to work towards our goal that all students will be proficient or advanced in English Language Arts and math. Our professional development time focuses on building our repertoire of teaching strategies to engage students in the content, improving content literacy, increasing academic talk in the classroom, and developing priority learning goals and success criteria in each department. We use the i-Ready test to evaluate student progress in math and reading and to assign students to intervention.

Our school community coordinator provides support to our students and their families. This work has increased the connection between home and school. We work to promote a college-going culture at our school. Our AVID students visit universities and partner with UCSC tutors to develop college level study skills. All seventh graders visit either the University of California or the California State Monterey Bay campus. Students in our dual immersion program are working towards the Seal of Biliteracy, which represents master attainment of two or more languages. Our student support team including our counselors, mental health specialist, school social worker, RtI coordinator and administration meet weekly to discuss and deploy support for students with academic needs and our students support team also meets weekly to discuss students of concern and ways to support them individually and structurally at our site.
Leadership
Casey O'Brien is enjoying his 22nd year as a school administrator and is in his fifth year at Branciforte. He brings experience leading at both the high school and middle school level, experience in Special Education and Student Services at the district level, has served as an adjunct professor in the Masters of Educational Leadership program at San Jose State University, and was awarded the Association of California School Administrators (ACSA) Region 10 Secondary Principal of the Year in 2014.

Teachers, classified staff, students, parents, and administrators take part in decision making at this school. Teachers determine instructional methods as a team; the leadership team, along with the administration, plans staff development. Our School Site Council plays a key role in shaping our students' educational experience. The Student Council advises the school administration and helps guide our activities and enrichment.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment

A. Conditions of Learning	**State Priority: Basic**
	The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Local Assignment Options		
Total Out-of-Field Teachers		

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Our English Language Arts classes rely on novels to provide instruction on the Common Core Standards. We have three different sets of instructional materials for our ELD students depending on their level of English proficiency. Science textbooks are still based on the CST. We supplement our science with current informational text to align with NGSS standards. Our math books meet integrated CCSS adoptions.

Year and month in which the data were collected	December 2022

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Literature and Language Arts - Holt, Rinehart & Winston Adopted 2008 Shining Star - Pearson Longman Adopted 2007	Yes	0%

School Facility Conditions and Planned Improvements

We have recently had upgrades in our HVAC system as part of our COVID response during the pandemic.
Structurally, thanks to our Bond monies, we have renovated our multi-purpose room and added a new band building.
Additionally, we have added planters in each of our classroom wings and changed/improved our landscaping in the front of our building, as well as redone our parking lot as well as adding electric gate access.
We are continuing to plan for future renovations to our entire site, with our Woodshop and Bee Inn scheduled to start in the Spring of 2023.

| **B. Pupil Outcomes** | **State Priority: Pupil Achievement** |

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
   The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Students Receiving Migrant Education Services					
Students with Disabilities					

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results.   Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	99%	100%	100%	100%	100%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

We have many ways for parents to participate in the life of our school, and we depend on parents to keep our programs running smoothly. Parents join our School Site Council, which works with administration, staff, and students to make financial decisions. Parents of English Learners are vital to our English Learner Advisory Committee (ELAC) and to our efforts to reach out to our Spanish speaking families. An ELAC representative also acts as a liaison to the School Site Council so that ELAC parents have a strong voice in the development of the School Plan. Historically, our Home and School Club provides support for our students in a variety of ways including co-hosting, with ELAC, the annual Tamalada and Spring Festival, organizing several fundraisers and supporting our school financially with teacher grants, support of student field trips, support of the Arts Academy, and support of our technology equipment. We have an additional fundraising arm of the Home and School Club called the B40 Boosters - they focus on fundraising and spirit events for sports and music programs primarily. Additionally, our parents assist with a variety of school activities, including Open House, Back-to-School Night, The Turkey Trot, fundraising, and important feedback and communication about our programs. Parents also volunteer to provide adult supervision at lunch and at school activities, teach Wednesday Arts Academy classes, coach teams, chaperone school dances, and much more.

To become more involved, please call or visit the school office - (831) 429-3883.

2021-22 Chronic Absenteeism by Student Group

C. Engagement	**State Priority: School Climate** The SARC provides the following information relevant to the State priority: School Climate (Priority 6): • Pupil suspension rates; • Pupil expulsion rates; and • Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

Students with Disabilities		

2022-23 School Safety Plan

We revise our safety plan yearly, and it is reviewed by the staff and Site Council. The plan includes goals for creating a safe environment through Positive Behavior and Intervention Systems (PBIS) and Trauma Informed Services. Our first goal is to define and use Tier 1 and Tier 2 strategies for social emotional issues and that 70% of students receiving Tier 2 services will indicate improvement in the area of need. We now have School wide behavior expectations posted in all areas of the campus and we have added and adapted expectations to address distance learning. We have identified our three campus culture expectations as being honorable, sensible, and safe. We have identified expectations for each of these for the various areas of the campus, including distance learning, and teach these expectations to students through video, assemblies, BTV and classroom activities.

We continue a commitment to our students' social-emotional safety and have a Student Support Team that meets weekly to discuss supports and outreach to our students and family. We use a Social Emotional Health Survey and California Healthy Kids Survey to inform our planning in relation to students' school social experiences. Additionally, this survey helps identify students in need of additional social-emotional support. Additionally, we provide opportunities for staff to share their input on student concerns and outreach. We also continue to have a robust Gay-Straight Alliance club that meets to support and address needs around gender identity, and have added representation on the Superintendent's Advisory Committee on Race and Equity.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	$11,421	$3,040	$8,382	$79,950
District	N/A	N/A	$7,989	$82,291
Percent Difference - School Site and District	N/A	N/A	4.8	-2.9
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A	-7.0	-8.9

2021-22 Types of Services Funded

Branciforte uses specialized funding to provide extra help to students who need it. We update our school plan each year to ensure that our instruction is focused on student needs. For example, a significant portion of our federal and LCFF supplemental funds are used to support our Multi-tiered Systems of Support. This includes an RtI coordinator, 75 minutes of weekly math and reading intervention using small group instruction or the iReady curriculum, two math intervention support periods/teachers that either push into general education math classes or pull students out for small group intervention, an additional class so that English Learners can take zero period PE allowing them to take an elective during the regular school schedule, a zero period Math+ and Reading intervention classes five days per week, and after school homework hours four days a week, serving approximately 40 students daily. Additionally, we use these funds to significantly increase our ELD services in order to provide small, leveled ELD classes, including a class and FTE release for our newcomer students that provides language acquisition and SEL support. We also dedicate funds for substitutes so that teachers can release quarterly to strategize approach to services for English Learners (Language Review Teams - or LRTs). Additional funds are used to purchase materials, translation services, professional development, and release time for teachers to participate in planning. The effectiveness of these additional resources is measured through our quarterly and annual assessments.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at http://www.cde.ca.gov/ds/fd/cs/.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

Professional Development

The primary focus of professional development is around tools needed to maximize learning and around Integrated ELD in support of our English Learners in general education classes. Additionally, over the past few years significant focus has been on supporting productive academic student talk, teacher clarity, (including the use of learning goals, success criteria, and formative assessments), using an evidence, analysis, action protocol to analyze student work and inform instruction. We are working on integrating brain-based self-regulation strategies and Social Emotional Learning instruction to support students self management, relationship skills, and decision making. These priorities were made based on several factors including our student achievement data, research into what improves student achievement, district goals and metrics, and staff leadership discussions. Teachers have the opportunity to collaborate every week during the afternoon of a Wednesday shortened day. This collaboration takes on several forms including school wide professional development and department and/or grade level professional learning teams. The professional development has a lens on supporting Integrated ELD, academic talk strategies, teacher clarity, and grading for equity. These include strategies to engage students in the content through reading, writing, speaking, and listening, strategies to check for understanding, content literacy strategies, and paired, group, and whole class discussion strategies. Department collaboration, and grade alike collaboration, is focused on student engagement through curriculum development, sharing best practices, aligning with the Common Core State Standards, developing common assessments, and using the results of these assessments to drive instruction. Grade level teams meet to choose and review accountable student talk strategies, trauma-informed strategies, review at-risk students, and share good news with parents regarding a range of student successes. Teams of teachers participate in series of workshops offered through various agencies. In recent years these have included: Integrated & Designated ELD with West Ed, Teacher Clarity led by Paul Bloomberg and SCCS staff; College Preparatory Math curriculum training and collaboration; ELA collaboration focused on the Common Core State Standards, Next Generation Science Standards, and AVID training. In addition, each teacher is expected to participate in at least two peer classroom observations each year. Finally, new teachers and administrators are assigned teacher/administrator coaches who provide regular observations and dialogues, giving staff the opportunity to reflect on practice with veterans in the field. Time is built into the professional development for teachers to share the strategies they have tried and to get feedback regarding any questions. In addition, staff and district administration make regular visits into the classroom and share observed best practices through e-mails, newsletters, and personal interactions, and follow-up with concerns individually.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	1	3	3
